

Davenport Gap to Mt Cammerer

5.8m one way / 11.6m RT

Getting There

Coming from a few hours east in NC I used interstate 40, taking exit 451 in TN (the first exit after crossing the state line). After exiting I-40 you cross the Pigeon River and take a left onto the Waterville Rd and stay on for about 3.6 miles and take a right onto Mt. Sterling Rd. To simplify I placed **Davenport Gap, Tennessee 37722** into Google Maps and it took me to the Appalachian Trail (AT) crossing.
