

West Prong Trail (2.7)

- West Prong trailhead on the right just before Tremont - turn to park in gravel lot
- trail climbs along flanks of Fodderstack Mountain, very dry
 - immediate intersection with spur trail to cemetery; look for Vannie Cook's grave - injured from a flaming tree branch fall, dove stayed by her side until death
 - 0.25 mile look down slope to right for wild hog trap
 - 0.3 trail forks, continues to left (right goes to same cemetery)
 - trail ascends to dry woods with pine, sourwood, and chestnut oak
 - 2.1 campsite #18
